

SJI's top International Baccalaureate Diploma Programme students jump for joy. Ben Ng, who attained a perfect score, is fourth from right.

SJI excels in International Baccalaureate exams

St Joseph's Institution's Class of 2016 International Baccalaureate Diploma Programme (IBDP) students have performed well in the November 2016 examinations.

According to the Catholic independent school, all 80 students from its third IBDP cohort

passed their exams, and achieved an average score of 41.5 out of 45 points. This is higher than the average score of 40.7 attained by its Class of 2015, the 2016 national average of 38.27 and the global average of 29.21.

The Class of 2016 also pro-

duced SJI's first perfect scorer – Ben Ng – since the IBDP started in 2013. In addition, 10 students had a near perfect score of 44 points, and 84 percent (67 out of 80) students attained at least 40 points out of 45.

“We are very proud of our

third batch of IBDP students who have graduated with stunning results,” said SJI principal, Fr (Dr) Adrian Danker, SJ. “We are confident that they are well prepared for their next phase of education beyond SJI.”

The head of SJI's senior sec-

tion, Mr Nick Moughtin, added, “We encouraged them to ‘aim high and get involved’; they seized the opportunities to be responsible for their own learning, pursuing and developing their interests and passions beyond the academics.” □
