

# ST. JOSEPH'S INSTITUTION 174<sup>TH</sup> FOUNDER'S DAY ASSEMBLY

**GUEST-OF-HONOUR  
PROFESSOR TAN CHENG HAN**

Thursday, 30 April 2026

*Every year, the SJI community comes together to celebrate Founder's Day in honour of **St John Baptist De La Salle** (30 April 1651 - 7 April 1719), the Founder of the Institute of the Brothers of the Christian Schools. We celebrate his life and work in education, especially for the poor. He is the role model for Josephians to be a person of integrity and a person for others. Today, the Lasallian mission of education continues in more than 80 countries around the world.*

*At the Founder's Day assembly, Josephians recall the zeal and perseverance of the first Brothers in Singapore who followed the example of St John Baptist De La Salle to educate the young. We do this by celebrating the progress and achievements of our students in character and studies.*

*This year, the La Salle Brothers and SJI celebrate 174 years of establishment in Singapore. Since the six La Salle Brothers first set foot from France into Singapore and Malaysia in 1852, our Lasallian community in Singapore has grown steadily, from the first school (St. Joseph's Institution) in 1852 to another seven educational institutions now - St Patrick's School, De La Salle School, St Anthony's Primary, SJI Junior, St Stephen's School, SJI International and Lasalle College of the Arts. Our Lasallian graduates have contributed and made a difference to the society and the Church, locally and globally. All these are the fruits of the La Salle Brothers working together in association with the many laymen and women who shared their gifts to provide a human and Christian education to the young, especially the poor in Singapore.*
