### **SJI ENDOWMENT FUND**

The SJI Endowment Fund is an investment fund in which the income generated from the invested capital is used to fund the advancement of education. The principal sum is not used.

The income generated from the SJI Endowment Fund is used for, when necessary, the following:

- Offering special programmes that balance between academic and non-academic learning.
- Professional development of our teachers to ensure that they are kept abreast of pedagogical development.
- Providing additional resources such as allied educators to support learning.
- Financing scholarships and awards given out to outstanding students on Founder's Day.
- Providing financial assistance to needy students who are not recipients of financial aid from the Ministry of Education (MOE) in the event should there be insufficient funds in the Wong Kok Siew–SVDP fund.

### **ST JOSEPH'S INSTITUTION SCHOLARSHIPS FUND**

The St Joseph's Institution Scholarships Fund is used to fund scholarships and awards for the academically outstanding students. It also provides school pocket money for needy students.

### **ST JOSEPH'S INSTITUTION (WONG KOK SIEW – SVDP FUND)**

The Wong Kok Siew–SVDP Fund supports needy students in terms of fees and/or expenses for educational programmes. It either supplements financial assistance schemes provided by MOE, where necessary, or provides financial assistance to needy students who are not eligible for MOE Financial Assistance Scheme, for example, on a short term basis arising from unanticipated family circumstances. Singaporean students receive priority for financial support under this fund.
