

## introduction

*“Your faith should be a shining light for those whom you teach.”*

St John Baptist De La Salle (Med 178.1 - feast of St Luke, evangelist)

Between 2019–2020, St Joseph's Institution (SJI) introduced the Josephian Formation Journey (JFJ) Programme. With the purpose of fostering our holistic, values-based Catholic education, it brings together students and teachers through lesson activities, paraliturgies and other school events that distinguish the SJI experience.

We would like to propose a series of commissioned artworks to be installed at **5 sites** in SJI. These designed pieces will depict the significant moments in St. John Baptist De La Salle's life. The artworks will also come with accompanying text to inform and educate the viewer on what each moment is about, and will have a reflection question to provide guide the traveller through these sites.

*A brief overview of the learning objectives throughout a Josephian's 6 years of education.*

## Design brief

1. The commissioned artist-designer will have to create **5 site-specific artworks**.
2. The average dimension for each piece is estimated to be between 5 metres (length) and 3 metres (height). Please refer to the annex for images of what the locations look like.
3. The final commissioned pieces should be submitted in vector format (.AI/SVG) for scalability and for future use for all JFJ and school material.

*Sample references of possible artworks for scale and site specificity.*
